In the table below, provide the literal meaning of the narrator's figurative statements about Barbara.

| Narrator's Figurative Words                              | What Actually Happened (Literal Meaning) |
|----------------------------------------------------------|------------------------------------------|
| "And whoever he was, he couldn't get enough of Barbara." |                                          |

|                                                                                           |  |
|-------------------------------------------------------------------------------------------|--|
| "She sensed the story might not be over yet."                                             |  |
| "The monsters had come to surprise her!"                                                  |  |
| "Then she saw what kind of monsters they were and she realized what was going to happen." |  |
| "She was going to be famous."                                                             |  |
| "In her final breath, Barbara gave the performance of her life."                          |  |
| "She had a taste for stardom, but so did her fans."                                       |  |

Write a [double ACES paragraph](#) explaining how Barbara died. You must cite direct evidence from the vignette.

**Quick-Write:** Think about someone you look up to and consider a positive role model. Why do you look up to them? What do they teach you? How have they influenced your identity? Write as much as you can about them and how they have influenced you for 3 minutes straight, without putting the pen down. Do not worry about your grammar or spelling, just keep writing!
