

Edie Vignette

(15-20 Minutes)

1. I wish we'd stayed but I understand why we _____.
2. What happened that night had been coming for a long time. Maybe it should have come sooner... but it had to end one way or another. All that's left now is to tell you about that last _____.
3. The power had been shut off that morning, but Edie always had plenty of _____.
4. "The thing you're afraid of isn't going to end when you leave the house. Edith has the right to know these _____." "My children are dead because of your _____!"
5. They called it the lowest _____ in a thousand years.
6. I have seen the house every day of my life, but I never thought I'd go back to it. When the ____ rolled in, I lost my way.
7. I got turned around ... for a while I wandered. I started seeing things. Things I'd _____ had ever existed. But when I saw them, they felt like old friends. That night a lot of things came back to me ... or maybe I came back to them.
8. The next day the ____ came by, but she was already gone.

9. The last Finch left alive until I found out about ____.

10. We find out at the end that the audience for Edith's story is actually who?

Quick-Write: If you could sit down with Edie and ask her 3-5 questions about the Finch family, what would you ask?
